Privacy Policy - Tashus

Welcome to Tashus, your trusted car rental platform. At Tashus, we are dedicated to offering a seamless car rental experience where users can rent cars directly from our platform. Unlike other services, Tashus operates independently, and we do not facilitate third-party listings for car rentals.

We are committed to safeguarding your privacy and ensuring compliance with Australian privacy regulations. This Privacy Policy outlines how we collect, use, and protect your personal information in accordance with the Australian Privacy Principles (APPs) under the *Privacy Act 1988 (Cth)*, as well as other relevant legislation.

Personal Information We Collect

We collect personal information from you and other sources to provide our services effectively. This information includes:

- **Contact Information:** Your name, address, email address, and phone number. This is used to communicate with you, manage your account, and provide customer support.
- **Driver's License Details:** Information from your driver's license, including license number, expiry date, and issuing state. This is essential for verifying your eligibility to rent vehicles.
- **Payment Information:** Credit card details or other financial information necessary to process transactions. We use secure payment gateways to protect your payment data.
- **Location Data:** Geographic information collected through your device's GPS to show available vehicles near your location. This helps us provide relevant vehicle options and improve user experience.
- **Vehicle Information:** Details about the vehicle you are renting, such as registration number, make, model, and insurance details. This information is crucial for managing your rental and ensuring the vehicle meets safety standards.

- **Communications:** Records of interactions between you and Tashus, including inquiries, feedback, and support requests. This helps us address your needs and improve our services.
- **User-Generated Content:** Reviews, ratings, and feedback you provide about your rental experience. This content helps other users make informed decisions and assists us in improving our platform.

How We Collect Your Information

Your information is collected through various methods:

- **Direct Interaction:** When you register an account, make a booking, or communicate with us, we collect information you provide directly.
- **Automatic Collection:** Through cookies and similar technologies when you visit our website or use our mobile application. Cookies help us enhance your browsing experience, remember your preferences, and analyze website traffic.
- **Third-Party Sources:** We may obtain information from third parties such as credit reporting agencies or public records to verify your identity and assess creditworthiness.

How We Use Your Information

We use your personal information for the following purposes:

- **Provide Services:** To operate and enhance our car rental platform, including managing vehicle availability, processing bookings, and handling payments.
- **Facilitate Transactions:** To process car reservations, manage rental agreements, and handle financial transactions securely.
- **Verify Identity:** To confirm your identity and eligibility, including validating your driver's license and ensuring compliance with rental requirements.
- **Communicate:** To respond to your inquiries, provide customer support, and keep you informed about updates, offers, and service changes.
- **Personalize Experience:** To tailor our services and recommendations based on your preferences and past interactions.
- **Enforce Policies:** To ensure compliance with our Terms of Service, user agreements, and other applicable policies.
- **Prevent Fraud:** To detect and prevent fraudulent activities, security breaches, and misuse of our platform.

- **Legal Compliance:** To meet legal obligations, respond to legal requests, and cooperate with law enforcement agencies as required.
- **Research and Analysis:** To conduct research, analyze data, and improve our platform and services based on user feedback and usage patterns.
- **Marketing:** To send you promotional offers, updates, and marketing communications, provided you have given your consent.

Legal and Regulatory Compliance

We ensure compliance with relevant Australian laws, including:

- **Australian Privacy Principles (APPs):** Under the Privacy Act 1988 (Cth), governing how we collect, use, disclose, and safeguard your personal information.
- **Notifiable Data Breaches (NDB) Scheme:** Part of the Privacy Act 1988 (Cth), requiring us to notify you and the Office of the Australian Information Commissioner (OAIC) about significant data breaches that could affect your privacy.
- **Australian Consumer Law (ACL) - Competition and Consumer Act 2010:** Protects consumer rights and ensures fair treatment in marketing and handling of personal data.
- **Telecommunications (Interception and Access) Act 1979:** Regulates the interception and access to telecommunications data, relevant if our platform handles such data.
- **Data Sharing and Release Act 2019:** Provides guidelines for sharing and releasing government data, relevant if we interact with government datasets.
- **State-Based Privacy Laws:** Including the Privacy and Data Protection Act 2014 (Victoria) and Information Privacy Act 2009 (Queensland), which may apply based on your location and operations.

Ensuring Security and Safety

We implement comprehensive measures to protect our platform and your information:

- **Identity Verification:** We verify your identity and authenticate information provided during account setup and other processes to ensure accurate and secure access.
- **Dispute Resolution:** We address disputes fairly and collect fees as necessary, ensuring a secure and equitable environment for all users.
- **Fraud Prevention:** We employ advanced techniques to detect and prevent fraud, abuse, and other security risks on our platform.

- **Risk Assessment:** We assess risks related to accidents and insurance claims, using factors such as auto insurance scores to manage risk effectively.
- **Monitoring Driving Behavior:** We monitor driving behaviors through mobile or in-vehicle devices to promote safety and address unsafe practices.
- **Rule Enforcement:** We enforce our policies, terms, and applicable regulations to maintain compliance and security across our platform.
- **IT Infrastructure Protection:** We safeguard our IT infrastructure to ensure the confidentiality, integrity, and availability of your data.
- **Investigations:** We conduct investigations and risk assessments to proactively identify and mitigate potential security threats.
- **Database and Information Checks:** We perform checks against databases and public records to verify information accuracy and enhance security.
- **Creditworthiness Assessments:** We evaluate creditworthiness and solvency to ensure responsible and reliable interactions on our platform.

By adhering to these practices, we aim to provide a secure and trustworthy environment for all users.

Information Sharing and Disclosure

We may share your personal information in the following circumstances:

- **Facilitate Transactions:** We share necessary personal information with other users of the Tashus platform to complete car rental transactions. This may include sharing details like contact information and booking specifics to enable seamless interactions.
- **Service Providers and Partners:** We disclose information to third-party service providers and business partners who assist us in delivering and enhancing our platform and services. This includes payment processors, IT support, and marketing agencies.
- **Legal and Regulatory Compliance:** We may disclose personal information to law enforcement agencies, regulatory authorities, or other third parties if required by law or to protect our legal rights, interests, or the safety of our users.
- **Business Transactions:** In the event of a merger, acquisition, or sale of all or part of our assets, we may transfer your personal information to the acquiring entity, provided they agree to adhere to our privacy practices.
- **With Your Consent:** We may share your personal information with third parties if you have given your explicit consent or directed us to do so.

Research and Development

We are dedicated to improving our services and developing new solutions. To this end, we may use your personal information for research and development purposes in the following ways:

- **Analysis and Enhancement:** We analyze personal information to improve our services and better understand user preferences. This helps us tailor our offerings to provide a more personalized car rental experience.
- **New Product Development:** Insights from user data may inform the development of new products and features. We use this data to innovate and address specific needs within the car rental industry.
- **Aggregated and De-identified Data:** To ensure your privacy, we aggregate and de-identify personal information. This means removing identifiable details to create anonymous datasets for analysis and business decisions. We may share this anonymized data with trusted partners for lawful business purposes.
- **Business Promotion:** We may use aggregated data to promote Tashus and demonstrate the effectiveness of our services. This helps us reach a broader audience and attract new users while maintaining user anonymity.

All research and development activities involving personal information are conducted in compliance with applicable privacy laws and regulations. We prioritize safeguarding your privacy throughout these processes.

Support for Marketing Campaigns

Tashus offers promotional expertise to third-party customers to enhance their marketing campaigns. Our services include:

- **Marketing Strategy:** We assist businesses in crafting effective marketing strategies tailored to our car-rental platform's unique dynamics. This includes in-car advertisements and targeted digital campaigns on our app and website.
- **Analytics and Reporting:** We provide comprehensive analytics and reporting to help third-party marketers evaluate campaign success. This includes analyzing user behavior, tracking conversions, and optimizing marketing efforts based on data insights.
- **Expert Guidance:** Our marketing specialists offer insights and recommendations to maximize the impact of promotional messages and achieve better results for your brand.

Partnering with Tashus means benefiting from our industry knowledge and experience, ensuring your marketing campaigns are impactful and resonate with our engaged user base.

Information Sharing and Disclosure

We may share your personal information in the following circumstances:

- **Facilitate Transactions:** To complete car rental transactions, we may share personal information with other users of the Tashus platform, including contact details and booking information.
- **Service Providers and Business Partners:** We disclose personal information to third-party service providers who assist us in operating our platform and delivering services. This includes:
- **Payment Processors:** To securely handle payment transactions in compliance with the Payment Card Industry Data Security Standard (PCI DSS).
- **Customer Support Providers:** To address inquiries, resolve issues, and provide support.
- **IT and Infrastructure Providers:** For maintaining and securing our platform's infrastructure.
- **Legal Compliance:** We may disclose personal information to law enforcement agencies, regulatory bodies, or other third parties as required by law or to protect our rights and interests. This includes compliance with the **Privacy Act 1988 (Cth)** and other relevant legislation such as the **Telecommunications (Interception and Access) Act 1979 (Cth)**.
- **Business Transactions:** In the event of a merger, acquisition, or sale of assets, personal information may be transferred to the new entity, provided they agree to uphold our privacy practices.
- **With Your Consent:** Personal information may be shared with third parties if you provide explicit consent or direct us to do so.

Geospatial Information Sharing at Tashus

Geospatial data, including vehicle location information, is valuable for various purposes. Tashus collects and uses this data as follows:

- **Vehicle Location Updates:** To provide real-time vehicle tracking, optimize routes, and estimate arrival times accurately.

- **Mileage Monitoring:** To track distance traveled for vehicle maintenance, fuel efficiency analysis, and billing purposes.
- **Insurance Information:** Geospatial data may be shared with insurance providers to assess vehicle usage, driving behavior, and location-based risks, aiding in premium calculation and claims processing.
- **Emergency Response:** Geospatial data helps facilitate quick responses during emergencies by providing real-time location information to dispatch assistance or emergency services.

Use of Cookies and Website Analytics

What are Cookies?

Cookies are small text files placed on your device when you visit a website. They store information about your preferences and activities, helping to enhance your browsing experience and collect data for analytics.

How Tashus Uses Cookies:

- **Essential Cookies:** Necessary for basic functionalities such as user authentication, session management, and fraud prevention. These cookies ensure the proper operation of the platform.
- **Performance and Functionality Cookies:** Collect non-personal data about user interactions, including page load times and error messages, to improve platform performance and user experience.
- **Analytics Cookies:** Used to gather aggregated data on how users navigate the platform, such as page visits and session duration. This data helps us understand user behavior and make improvements. We use tools like Google Analytics for this purpose, adhering to the **Australian Privacy Principles** and ensuring data is anonymized.
- **Managing Cookies:** Users can manage cookie preferences through their web browser settings. However, blocking or deleting cookies may affect the platform's functionality and user experience.
- **Third-Party Cookies:** We may allow third-party cookies for advertising and marketing purposes. These cookies are managed by external providers and help deliver personalized ads. Users can control these cookies through browser settings or third-party opt-out tools.

Legal and Safety Obligations

At Tashus, we prioritize compliance with legal requirements and the safety of our users.

Our obligations include:

- **Compliance with Applicable Laws:** Tashus adheres to local, regional, and national laws governing car rental services, including the **Privacy Act 1988 (Cth)** and the **Australian Consumer Law (ACL)**. We ensure compliance with data protection regulations, privacy standards, and consumer rights laws.
- **User Agreement and Terms of Service:** We provide a detailed user agreement and terms of service to define the rights and responsibilities of both parties. These documents establish a clear and transparent relationship between Tashus and our users.
- **Safety Guidelines:** We offer comprehensive safety guidelines to promote safe practices, including safe driving, vehicle inspection, and reporting safety concerns. These guidelines are designed to enhance user safety and ensure proper conduct during car rentals.
- **Verification and Screening:** Tashus implements verification and screening processes to ensure a secure car rental environment. This may involve verifying user identities, validating driver's licenses, and conducting background checks where legally permissible.
- **Insurance Coverage:** We collaborate with reputable insurance providers to offer adequate coverage for both vehicle owners and users. Details of insurance coverage are specified in our terms of service, ensuring transparency and peace of mind for our users.
- **Incident Reporting and Resolution:** Users are encouraged to report incidents or accidents promptly through our designated channels. Tashus is committed to fair and timely resolution of such incidents, coordinating with all involved parties and authorities if necessary.
- **Data Privacy and Security:** We implement robust technical and organizational measures to protect personal data in compliance with the **Australian Privacy Principles**. Our privacy policy details how we collect, use, disclose, and protect user data.

Data Security

We employ appropriate technical and organizational measures to safeguard your personal information against unauthorized access, disclosure, alteration, and destruction. Despite

these measures, no method of transmission or electronic storage is completely secure, and we cannot guarantee absolute security.

Your Rights and Choices

Tashus respects your rights and offers transparency regarding your choices. Here are key rights and choices available to you:

- **Right to Access and Rectify Personal Data:** You can access and review the personal data we hold about you. If you find inaccuracies, you can request corrections or updates through your account settings.
- **Right to Withdraw Consent:** You may withdraw consent for data collection, use, or sharing at any time. Note that withdrawal of consent does not affect the legality of processing conducted prior to the withdrawal.
- **Right to Data Portability:** You can request a copy of your personal data in a structured, commonly used, and machine-readable format for transfer to another service provider.
- **Right to Erasure:** You may request the deletion of your personal data under certain conditions, though some information may be retained for legal or legitimate purposes.
- **Right to Object:** You can object to the processing of your personal data based on legitimate interests. We will assess your objection and determine if our processing grounds override your rights.
- **Right to Lodge a Complaint:** If you have concerns about our data handling practices, you can lodge a complaint with the relevant data protection authority in your jurisdiction.

The availability of these rights may vary depending on your location and applicable laws. Please review our privacy policy for detailed information on exercising your rights.

Third-Party Links and Services

Our platform may include links to third-party websites, applications, or services. These are provided for convenience and to enhance your car rental experience. However:

- **No Control Over Third Parties:** Tashus does not control the content, policies, or practices of third-party links. We are not responsible for their availability, accuracy, or legality.

- **User Responsibility:** Any interactions or transactions with third parties, including providing personal information or participating in promotions, are solely between you and the third party.
- **Caution Advised:** Exercise caution and review the third parties' terms and privacy policies before engaging with them. Tashus disclaims any liability for third-party actions or practices.

Children's Privacy

Our platform is not intended for individuals under 18. We do not knowingly collect personal information from children. If we learn that we have collected such information inadvertently, we will take steps to delete it.

Changes to this Privacy Policy

We may update this privacy policy periodically. Material changes will be communicated by posting the updated policy on our platform. Continued use of our platform after such changes constitutes acceptance of the updated policy.

Complaint Section

We value your feedback and are committed to addressing complaints promptly. To file a complaint:

- **Contact Customer Support:** Reach out to our customer support team via the contact details provided on our website or app. Provide detailed information about your complaint for an effective resolution.
- **Investigation and Resolution:** We will investigate your complaint and aim for a fair resolution. Allow time for the investigation process.
- **Escalation:** If unresolved, you can escalate the matter to a supervisor or manager for further review through our support center.
- **Continuous Improvement:** Your feedback helps us improve our services. We take complaints seriously and use them to enhance user experience.
